

**POLLUTION REPORTS**  
Report all spills of oil and hazardous substances to the National Response Center (800-424-9312) or the nearest Coast Guard facility if telephone communication is impossible (24 hours).

**CAUTION**  
Temporary changes or obstructions in aids to navigation are not indicated on this chart. See Local Notice to Mariners published in the Boston Harbor and Chelsea River Channel Notices to Mariners. During some winter months or when unattended by the Coast Guard, aids to navigation may be replaced by other types or removed. For details see U.S. Coast Guard Light List.

**NO DISCHARGE ZONE**  
Under the Clean Water Act, Section 312, all vessels discharging oil or oily mixtures into the navigable waters of the United States are prohibited from discharging any oil, oil sludge, or oily mixture into the navigable waters of the United States. For detailed information and restrictions on the discharge of oil, see the National Oceanic and Atmospheric Administration's (NOAA) Oil Pollution Act Regulations (33 CFR 158). Additional information concerning the regulations and requirements may be obtained from the Environmental Protection Agency (EPA) website: <https://www.epa.gov/oia>.
